Truck Accident Sends 2 Two To Hospital

A two truck accident on Monday night of this week sent one motorist and a pedestrian to the Elba General Hospital on an Elba Rescue Squad ambulance. Injured were Drexel Boothe, Route 2, Elba, and Cathy Johnson of Elba.

According to investigating officers, the accident occurred when Boothe, driving a pick-up truck, hauling sand to avoid hitting Miss Johnson, age 19, after hitting the larger truck, Boothe's pick-up spun around and hit the girl, knocking her from the highway and down the steep embankment on the

Sportsmen Licenses Go Higher Now

Sportsmen will be afield and afoot this fall with new equipment, new tackle and also a new license.

State hunting license fees for Alabama residents will be \$5 plus 25 cents issuance fee; county hunting license will cost \$2.50 plus 25 cents issuance fee. This new hunting license fee is the first increase for the sportsman since the \$3 license was begun in 1907.

Hook and line fishing license will run in \$100, Rod and reel or artificial bait license will be \$3; there will also be a 25 cents issuance fee for these licenses. The increase in the \$3 license represents following in her sister's footsteps.

Wendy Hornsby, daughter of Mr. and Mrs. Gadsden Hornsby of New Brockton, was chosen as queen in 1969, will be in Dothan

Festival officials said they have no recollection of sisters following each other in the national contest.

Wendy was selected last week in a New Brockton Exchange Club - sponsored pageant that also saw Lynn Watson, daughter of Mr. and Mrs. Louie Watson chosen as Little Miss New Brockton.

Wendy, friends said, "is as different from Beverly as day and night." The new queen is a blonde with light complexion. Beverly was dark with brown hair.

First runner-up in the queen's contest was Rita Grant, daughter of Calvin Grant, and second runner-up was Debbie Davis, daughter of Mr. and Mrs. Wesley Davis.

First runner-up in the little miss contest was Lisa Wyrosdick, daughter of Mr. and Mrs. Wayne Wyrosdick, and second runner-up was Karen Walden, daughter of Mr. and Mrs. Kenneth Walden.

The push is now on by the Elba band to sell Birthday calendars. This year the 5th and 6th grade youngsters are leading the push and will be calling on local residents within the next week. If anyone is interested in purchasing one of these calendars and is not contacted by these youngsters, a call to Mrs. Ann Hammonds at 897-5166 will result.

The money earned from this project is used each year to buy band uniforms and to maintain the expensive band equipment.

Death Claims Mr. Grizzle On Tuesday

Lynwood Kain Victory Grizzle, age 58, died September 21 at 12:40 p.m. in the Elba General Hospital.

Funeral services were held in the Hayes Funeral Home Chapel with interment in the Bluff Springs Church Cemetery with Hayes Funeral Home directing.

He was born in Clay County and was married to Nannie May Grizzle, a resident of Elba.

Survivors other than his wife are: Three brothers, Woodrow Grizzle, and John W. Grizzle, of Talladega and Robert Grizzle, of Elba.

The day meeting will be held at the Mt. Pleasant Baptist Church, Geneva Highway 427, a nursery by the host church. The night meeting will be held at the Macedonia Baptist Church on the Ft. Rucker Blvd., 7-9 p.m., with Fellowship to follow.

Coffee WMU Meeting Set For Enterprise

The quarterly meeting of the Coffee Baptist Association, Tyler, Texas, four tional WMU is to be held October 7. The day meeting, 9:30 - 2:00 p.m., will be at the Mt. Pleasant Baptist Church, Geneva Highway 427, a nursery by the host church. The night meeting will be held at the Macedonia Baptist Church on the Ft. Rucker Blvd., 7-9 p.m., with Fellowship to follow.

Dismissal Of Federal Suit Denied

U. S. Judge Frank Johnson has denied a motion by the Coffee County Commissioners that the reappointment suit filed in his court be dismissed. The action came last week and Johnson gave the Commission ten days to file answers to the actual reappointment suit which ask for elections at large in Coffee County.

In the suit filed by J. Comer Sims, Wilber Warren, G. E. Allen, Charles McClintock, Luther Martin Moates, Royce Harrington and James M. Speigner, all of District 4, the court is ask to reappointment county commissioners to comply with the one-man one vote doctrine.

The commissioners are now voted on by everyone in the county but must run from the district in which they live.

Deadline Near For P P & K Event

Moose Hope, captain of the Enterprise Quarterback Club and Herman Dismukes, owner of Dismukes Ford, have announced that this will be the last week to register for the P, P & K Kick contest to be held Saturday in the Bates Memorial Stadium.

ELBA BUSINESS AND PROFESSIONAL WOMENS CLUB president, Mrs. Jane Morrow, night, presents BPW scholarship checks to two Enterprise State Junior College coeds, Hilda Culver, left, Elba, daughter of Mr. and Mrs. H. H. Culver, Jr., a Business Administration major, and Ann Young, daughter of Mr. and Mrs. John Young of Elba, an Elementary Education major. Scholarships to ESJC are awarded annually by Elba BPW Club to "hard working, deserving students."

Mrs. James Boswell Honored With Dinner Party

Bayley's Restaurant in Enterprise was the setting for a dinner party honoring Mrs. James Boswell, State Department President of the Alabama Legion Auxiliary.

Mrs. Boswell was complimented for her untiring efforts in her patriotic interests and her ability in doing a job well done.

Mrs. Conway Lowrey, local auxiliary president of Culver Post 42, Elba, in behalf of the members, presented the honoree with a lovely gift of lingerie. The "T" shaped table were beautifully decorated

COFFEE NEWS & CHAT

BY SARA E. HUTCHINSON

CHILD COST. If anyone ever made the statement that his new baby was worth its weight in gold, he could be right. To support a child to the age of 18, an average family requires an investment of three years of family income—almost \$30,000.

An analysis by the Institute of Life Insurance shows that it takes \$3,000 to cover birth and medical expenses for the 18 years. Although infants don't eat much, by the time they reach the teen years, the food bill to support a healthy youngster totals about \$8,000. It costs about \$4,000 to clothe the growing child and \$9,000 to provide a roof over his head. The parents will spend \$4,000 in transportation costs. Personal care, recreation and education come to another \$2500. But the \$30,000 total doesn't include the cost of a college education, which can reach an additional \$15,000 at a four-year school.

With today's costs, that bouncing baby is worth his weight in gold and more.

GREEN PEANUTS. I often get requests for information on how to can and freeze green peanuts in the shell, so here it is. In canning green peanuts, preference is given to medium-size runners or the large Virginia type because of the increased ease of shelling. The Spanish type have a good flavor but are less attractive and more tedious to shell due to their small size.

Prepare peanuts and bring 1 cup salt to a gallon of water. The salt is for boiling for immediate use. Pack cleaned peanuts into standard size canning jars, using equal amounts of peanuts and hot brine. Fill to within 1/2 inch of the top. Using a clean, damp cloth, wipe the jar mouth as well as the inside and outside of the jar opening. Adjust lid and process in pressure canner for 45 minutes.

Use the following method in freezing green peanuts in the shell. Harvest in the mature stage, wash, grade and freeze in moisture vapor proof containers. Freeze at 0 degrees. After thawing, boil as fresh nuts. If peanuts are boiled in brine and then frozen, the salt could cause them to develop a rancid flavor. Use for thousands of dollars.

Today's Teens Are Different

Many people say that teenagers are a different breed from teenagers of past generations, says Miss Barbara Pitt, Extension specialist in human development. And this is true. Times are different, and the things that bother teenagers are better educated than ever before. They want to discuss issues and they have a real concern for what's going on in the world. The bomb and the war; the sex; improved nutrition over the years has made children mature physically faster than ever before. Increased 600 per cent since 1940, notes the specialist. In fact, nearly half of all U.S. marriages have teenage brides. In addition, young people are exposed to more sex-oriented material than ever before — in books, magazines, Jean Parks, Bill Bryan, Rick Beck, Robert Young, Dianne McCollough, Margaret Lewis, Mary Wilson, Rufus Money, Elise Johnson (expired), Vanford L. Flowers, Mary Starks, Alma Flowers, K. V. Grizzle (expired).

zines, movies, fashion and television. Mobility: Teenagers own nine per cent of all new cars and an estimated 10 per cent of all cars, And many family cars are driven — if not owned — by teens. A car gives the teenager independence to go places, to get into colleges and something past generations lacked.

Education: There are pressures to do well in school, to get into colleges and stay there and to learn. Times are different, and the things that bother teenagers are better educated than ever before. They want to discuss issues and they have a real concern for what's going on in the world. The bomb and the war; the sex; improved nutrition over the years has made children mature physically faster than ever before. Increased 600 per cent since 1940, notes the specialist. In fact, nearly half of all U.S. marriages have teenage brides. In addition, young people are exposed to more sex-oriented material than ever before — in books, magazines, Jean Parks, Bill Bryan, Rick Beck, Robert Young, Dianne McCollough, Margaret Lewis, Mary Wilson, Rufus Money, Elise Johnson (expired), Vanford L. Flowers, Mary Starks, Alma Flowers, K. V. Grizzle (expired).

Teenagers, like the rest of us, have the bomb hanging over their head. They have Viet Nam—a very real thing for the 17-year-old male—who faces a choice of what to do with his life. Miss Pitt adds that every generation has faced the prospect of war, of course, but few have had to face it without the general backing of society.

Are teenagers more safety conscious than their parents? A survey conducted by Liberty Mutual Insurance Companies shows that in at least one aspect of safety they are. The survey showed that twice as many teenagers as adults use seat belts.

Lightning Is A Dangerous Threat

About 400 people are killed annually by lightning, and 1,000 are injured, says Harold Watson, Extension agricultural engineer. Extension, stay away from metal objects, particularly single trees. Lightning shouldn't be taken lightly, no matter how small. This indicates an electrical charge and can mean lightning is about to strike. People feeling this sensation should drop to the ground immediately.

Watson says to be alert for any sensation of tingling skin or hair standing on end. This indicates an electrical charge and can mean lightning is about to strike. People feeling this sensation should drop to the ground immediately.

Night - Time Is Busy Time At E.S.J.C.

Night time is busy time at Enterprise State Junior College this fall with the expanded Evening Division offering college level and short non-credit enrichment courses providing "Quality Education-You Can Afford" for all in the Wiregrass.

Dean of Instruction Joseph Talmadge pointed out, "We really had a house full last Tuesday, beginning with the Wiregrass Tennis Tournament before dark, followed by nine college level courses and short non-credit enrichment courses to meet the community needs. We had more than 500 people on campus that night."

President B. A. Forrester said he was pleased with the response and that Enterprise State Junior College will continue to expand its night offerings to provide enrichment and college level courses to meet the community needs. He added, "For instance, we have several requests for a course in blueprint reading and in preparing income tax returns so we arranged for

Hayes Larkins Chairman Of Safety Dept.

Professor Hayes C. Larkins, son of Carlton R. Larkins of Elba, has been elected chairman of the newly organized Department of Public Safety at the Community College of Baltimore, Maryland. The new department will incorporate the ongoing curriculum in fire technology with a new curriculum in criminal justice and security. The latter will include options in police administration, security administration, corrections and criminology.

Mr. Larkins, who earned both a B.S. and M.A. in police administration from Michigan State University, has been the coordinator of the law enforcement program at the community college of Baltimore for the past two years. Mr. Larkins has had experience in military security and intelligence and has taught at the Hartford County and Cecil Community Colleges.

Mr. Larkins is married to the former Dora Carmichael, of Enterprise and they are the parents of five children. Presently, they reside in a 150 year old home near Hampstead, Maryland.

Facts About Cholesterol

Many Americans are aware that if they eat foods low in cholesterol they may retard the process of hardening of the arteries and reduce their risk of heart attack and stroke. But few know what cholesterol is and what it does. Cholesterol is not all bad. In proper amounts, it is in fact involved in a number of functions vital to body health. Reports the Alabama Heart Association.

A fat-like chemical substance, cholesterol is found in every living animal cell, reaching its highest concentration in the cells of the central nervous system. Not all of its roles are clear, but this chemical is known to be essential to the proper architecture of the cell membrane. As such it presumably plays a key role in regulating what gets in and out of the cell. It is also the forerunner of a number of other agents including the sex and adrenal hormones.

What makes cholesterol such a potential biological bugaboo is the Alabama Heart Association is that an excess amount of it in the blood may increase susceptibility to heart attack. There's a lot of evidence that when there is an excess of cholesterol, it piles up in the coronary arteries (along with other fatty substances) and can reduce or shut off blood flow to the heart muscle. Result: Heart Attack.

Cholesterol is present in varying amounts in foods of animal origin (eggs, meat poultry and dairy products) and in sea food. Egg yolks, fish roe, shellfish (lobster, shrimp, crabs, clams and oysters) and organ meats (brains, sweetbreads, kidney and liver) are particularly rich in cholesterol.

The body also makes cholesterol and the amount made apparently depends on the kinds of fat we eat. Animal or saturated fats tend to increase cholesterol levels in the blood. Presumably they spur the liver to manufacture more of it. Polyunsaturated fats (such as those found in corn oil, cotton seed oil, soybean oil and flaxseed oil) tend to decrease cholesterol levels.

Knowing that cholesterol—fatty in feel and pearly in color—is neither all good nor all bad, but somewhat of a double-edged sword, encourage Americans to modify their diets so that intake of cholesterol is kept within due bounds, the Alabama Heart Association concludes.

Helping Hand For Part-Time Student Jobs

Employers in the Enterprise State Junior College area are urged to extend a helping hand to students who need part-time jobs while attending the junior college.

"I now have over twenty applications," Frank Clark, Director of Student Placement Services, stated September 22, 1971, "most of them attend classes in the morning and are available for work in the afternoons and at night."

Clark said that many of the applicants reside in cities and he would like to place them in part-time jobs. If he has any registered students who need part-time jobs, he will refer the qualified students to the prospective employer. In the past, he has placed many students who have been pleased with their work.

Clark pointed out,

Couple Exchange Vows
In Opp First Baptist Church

Miss Donna Lynne McDaniel and Mr. John Richard Nixon were united in marriage on Saturday, September 18th at seven o'clock in the evening in the First Baptist Church of Opp.

Reverend James Walters officiated at the double-ring ceremony. Nuptial music was provided by Mr. Jimmy Pierce of Opp.

Parents of the couple are Mr. and Mrs. Clem McDaniel of Opp and Mrs. Leon Bailey of the Curtis Community.

The church was beautifully decorated with fall colors. In the center was a large candle tree decorated in the bride's chosen colors of yellow, bronze and gold holding burning yellow tapers. On either side were

ton Beach, Florida. The bride's mother chose for the occasion a blue crepe dress with matching accessories. She wore a cymbidium orchid with matching ribbon.

The groom's mother wore a dress of gold silk shantung with matching accessories. She also wore a cymbidium orchid with ribbon trim.

Following the ceremony the bride's parents entertained with a reception in the fellowship hall of the church.

The guests were greeted at the door by Mrs. Henry Gwaltney and introduced to the receiving line by Mrs. Don Cook. Receiving with the newlyweds were Mr. and Mrs. Glen McDaniel, parents of the bride, Mrs. Leon Bailey, mother of the groom, Miss Mary Alice Clayton, Maid of Honor and the bridesmaids, Miss Libby Cowen and Miss Angie Tomblin.

Mrs. Henry Morgan invited the guests to register in the beautifully displayed bride's book which was presided over by Miss Nancy Howcroft, cousin of the bride of Millington, New Jersey.

The bridal table was covered in white linen edged with a wide lace ruffle. The three tiered wedding cake was beautifully decorated with greenery and cream. The bride, given in marriage by her father, wore a white gown of silk organza and chantilly lace. The dress featured full bishop sleeves and created a natural waist line. The train collar was outlined with lace and a drier bow in back accented a detachable train. The dress was re-embroidered with lace and tiny seed pearls. She wore a shoulder length veil with a band of seed pearls and carried a cascade of white sweetheart roses with streamers of white and yellow ribbon. Her bouquet was centered with a white glamsia.

Attending the bride as Maid of Honor was Miss Mary Alice Clayton of Opp. Bridesmaids were Miss Libby Cowen and Miss Angie Tomblin, also of Opp. They were given in full length dresses of gold crepe featuring short puffed sleeves and scooped necklines. Each carried a nosegay bouquet of yellow, bronze and gold pom-poms with gold and yellow ribbon streamers.

Attending Mr. Nixon as best man was Mr. Mike Morgan of Opp. Groomsmen were Steve and Philip Nixon, brothers of the groom. Mr. Michael McDaniel, brother of the bride and Mr. Ronnie Meadows of Opp.

Serving as candle lighters were Jeffrey McDaniel, brother of the bride, and Gregory McHuen, cousin of the bride, of Fort Wal-

Miss Stewart, Mr. Jones
Are United In Marriage

Westside Baptist Church was the setting on Friday, August 6 for the ceremony which united in Holy Matrimony Miss Diann Stewart and Len Eugene Jones.

The double ring candle-light ceremony was performed at eight o'clock in the evening by the Reverend John C. Haynes. Providing the background for the ceremony were two arched candelabras with white tapers intermingled with greenery. Centered between the candelabras was a basket of blue and white gladiolus and mums.

The bride, given in marriage by her father, was lovely in her formal gown

of white peau de soie. The empire bodice featured a scoop neckline and long sleeves of chantilly lace embedded with seed pearls. Her headpiece was a leaflet of pearls attached to an elbow length veil of illusion. She carried a white bible centered with an orchid and white roses.

Miss Jennifer Burdick served the bride as Maid of Honor with Miss Jenny Hamm and Miss Fredene Lee serving as bridesmaids. Their gowns were of formal design created from blue dotted swiss accented with a deeper shade of blue ribbon around the empire waist and baby-doll sleeves.

The couple now reside in Elba where both are continuing their education at Elba High School.

Everyone knows EHS is well blessed with cute couples, but since there are too many to list, we think Cherrie and Mark represent their school well as being typical.

Cherrie is 15 years old and in the 10th grade. She is a member of the French Club, The Beta Club, PHA and Vice President of the Math Club.

Mark is a senior this year. He is a member of the Science Club, The French Club and the E Club.

We know many things help make them well liked, but we think the main thing is because they always seem so happy.

Old Tires Provide Key Ingredient in Producing New Ones

New tires containing a key ingredient made from scrap tires are being road-tested by The Goodyear Tire & Rubber Company as a possible solution to the problem of disposal of the millions of worn out auto tires, it was announced.

Developed by Cities Service Company in cooperation with Goodyear, the process converts scrap tires into carbon black, a key ingredient

used to give strength to tires. Details of the joint pilot project were revealed at a recent meeting of the Rubber Sub-Council of the National Industrial Pollution Control Council, named by President Nixon to develop policies for curbing pollution from industrial sources. Russell DeYoung, Goodyear chairman and chief executive, who is chairman of the sub-council, presided.

The tires Goodyear has produced with the new carbon black are being completely evaluated at the firm's testing facilities.

SENIOR OF THE WEEK

This week's Senior of the Week is Rickey Rainer. He was chosen over two other candidates for the title.

Rickey is a member of the E Club, Spanish Club and Beta Club. He is also the Editor of the 1971-72 Elba yearbook.

Rickey's favorite interest is football. His hobbies are hunting, fishing and skiing.

Rickey's pet peeve is being blamed for something he didn't really do.

Rickey feels the school needs more improvement and that there should be more time between classes.

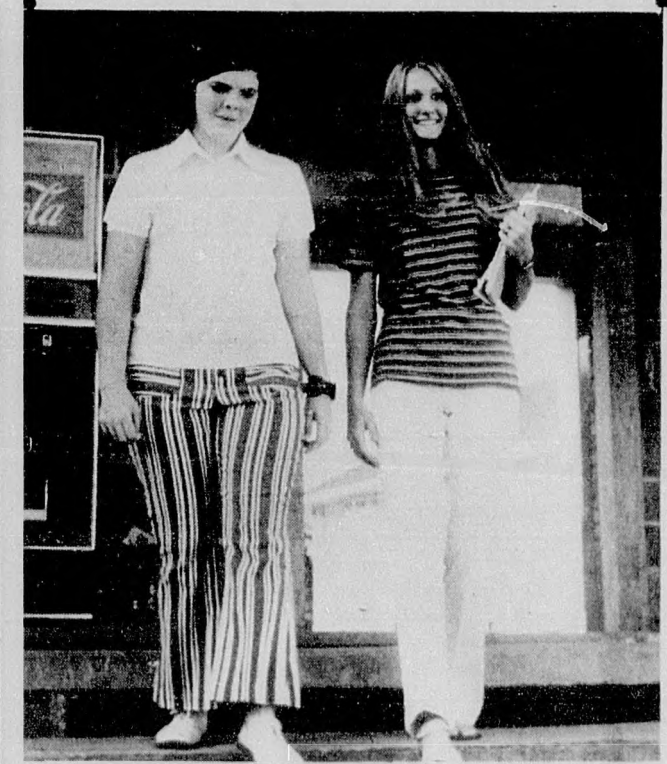

After graduation Rickey plans to attend either Auburn University or Troy State University.

Rickey is a member of the United Methodist Church of Elba, and he participates in the Methodist Youth Fellowship.

Rickey's parents are Mr. and Mrs. F. W. Rainer of Elba.

We congratulate Rickey for being chosen Senior of the Week.

And so once again my dear Johnny, my dear friend.

And so once again you are fighting us all. You raise your sticks and cry and I fail. Oh my friend how did you come To trade the fiddle for the drum?

You say I have turned Like the enemies you've earned But I can remember All the good things you are And so I ask you please Can I help you find the peace and the star

Oh my friend What time is this To trade the handshake for the fist?

And so once again Oh, America my friend And so once again You are fighting us all And when we ask you why You raise your sticks and cry and we fail Oh my friend How did you come To trade the fiddle for the drum.

--School wasn't so hard to understand.

SADNESS IS

--Not having enough money to buy a coke.

--Forgetting something you thought you had.

--Remembering you had a test the next period.

--Not having your P. E. clothes Monday.

--Having to throw away your chewing gum.

--Leaving your graduation ring at home.

--Losing your money in the drink machine.

--Getting kicked out of your favorite class.

Industry Hires 'Unemployables'

Over 8,000 unemployed and disadvantaged individuals have been hired at 63 locations of the United States Steel Corporation since 1968 in cooperation with the National Alliance for Businessmen.

Also 3,300 needy youths have been employed for summer jobs in the same period. Under agreement with the Federal government, U. S. Steel is also providing training to improve mental and physical skills of employees recruited from the ranks of the disadvantaged unemployed.

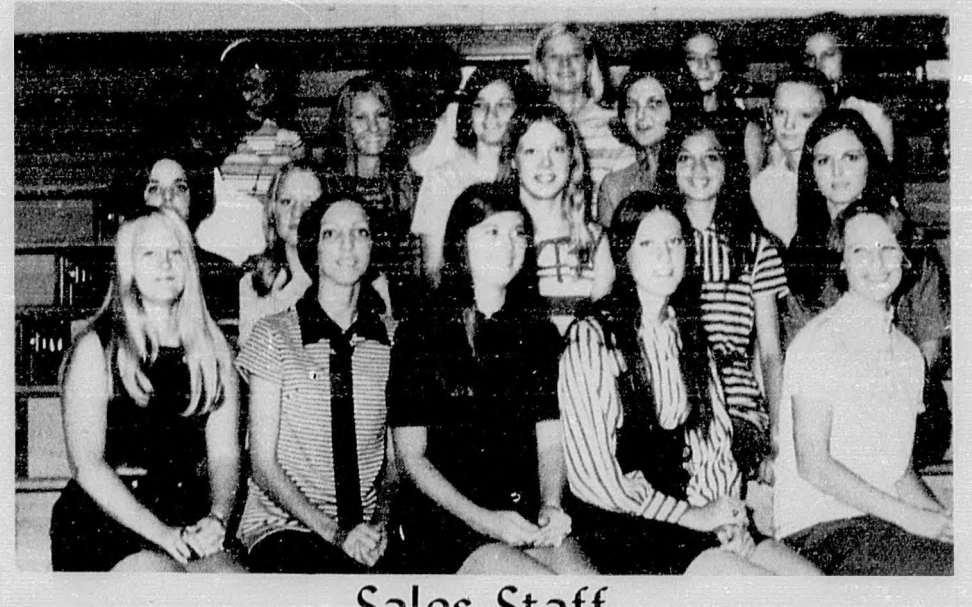

A new pilot cooperative program is another undertaking by U. S. Steel to provide practical on-the-job trade apprentice training to high school students. A part of their vocational education is being undertaken jointly with the United Steel Workers of America and a Chicago area high school district, according to the 1970 Annual Report of the Corporation.

Couple Exchange Vows in Auburn Church

The sanctuary of the first Independent Methodist Church of Auburn was set for a wedding ceremony, September 11, for the union of Carolyn Gail Ataway and Edward Bernard Cooley, III.

The bride is the daughter of Mrs. Jesse Glen Murphy of Auburn City and Mr. Jesse Glen Murphy of Auburn City. The groom is the son of Mr. and Mrs. Edward Bernard Cooley, of Auburn City.

Reverend E. Hilton Jones, Auburn minister, officiated at the ceremony. The church was decorated with matching yellow and white ribbons and Bishop sleeves with matching velvet ribbons. They each carried yellow roses with white streamers.

The groom's best man was Gerald McDaniel and Terry Davis, both of Auburn City. Following the ceremony a reception was held in the church parlor.

Elba Girls Pledge To Sororities

Auburn University's 12 sororities issued pledges to 484 women students at the end of fall rush on September 17.

Pledges from this area and the sorority they pledged to are:

Chi Omega: Deborah Easters, Kappa Delta.

7th Grade Wins

Over Highland Home

The Elba 7th Grade Team kept their victory string going Saturday night by downing Highland Home 24-0.

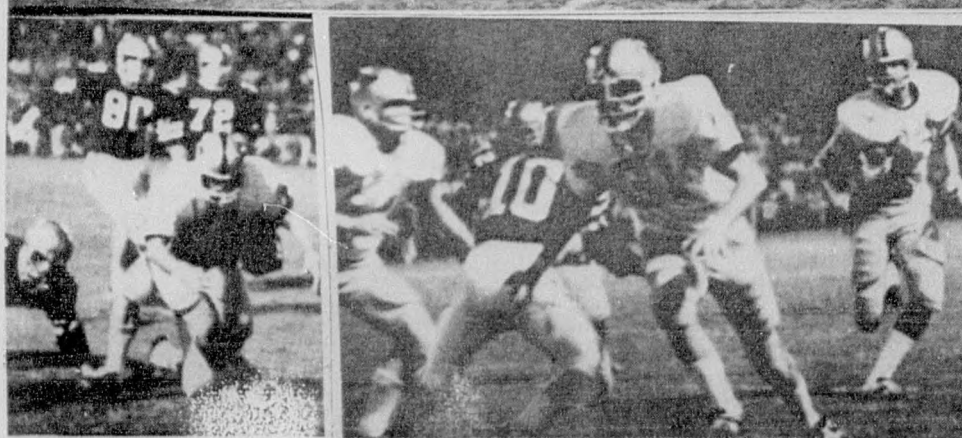

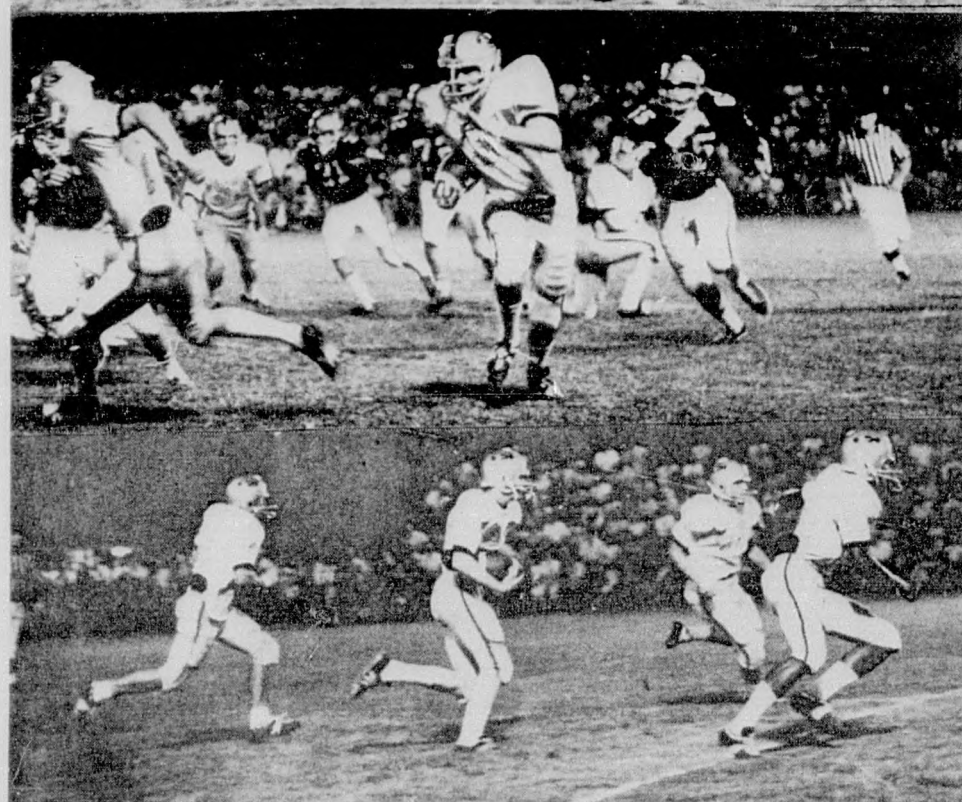

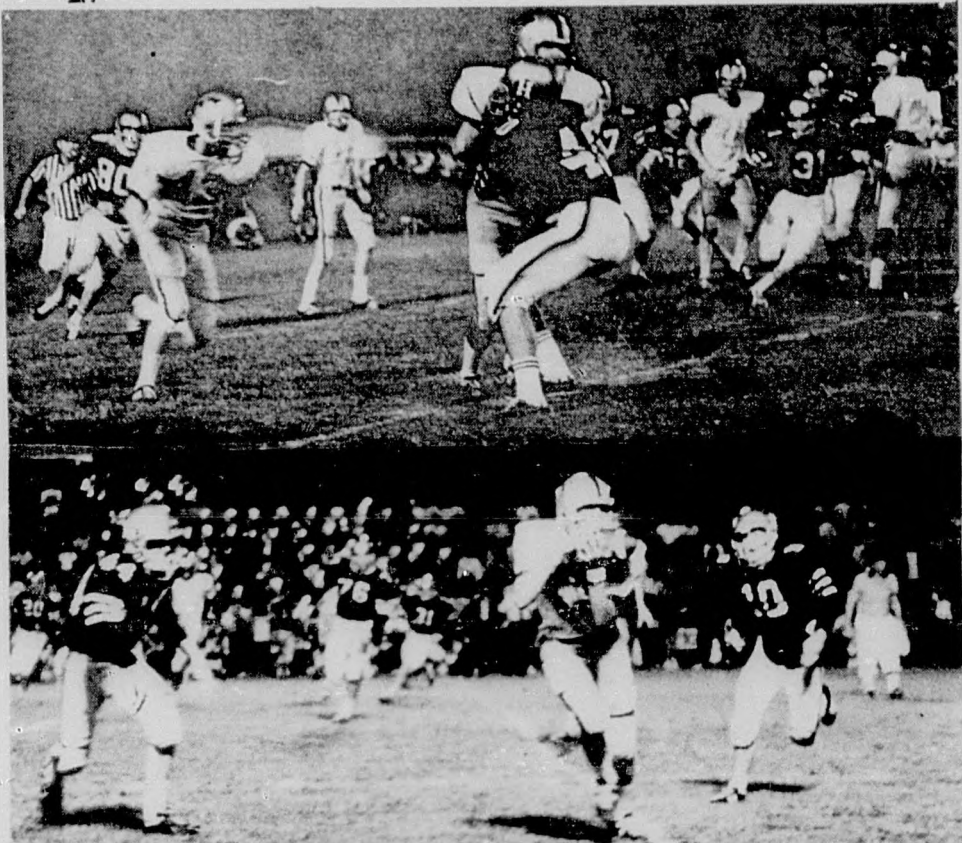

Good offensive line play by Teddy Vaughan, Britt Davis, Burt Morrow, David Sasser and Brent Besdole consistently opened holes and the backs poured through. Tommy Jernigan added a spark to the offense as he followed his blockers for sizeable gains and one touchdown.

Tommy Brown, Teddy Vaughan, Don Bradshaw, Jerry Goodson, Shane Bullard and Lamar Hodge stood out on defense.

Mistakes, dropped passes and penalties hurt Elba throughout the game and must be eliminated if they keep their victory string going. The longest run of the night, a 70 yard touchdown by Mike Nolin, was nullified by a clipping penalty.

Elba and Brantley are both unscored on and tied for first place.

Elba plays Goshen at Goshen Thursday night at 7:00 p.m.

Elba Tigers Defeat

Hartford 13 - 3

Yes, I did state in last week's column that the Auburn Tennessee football game would be a high-scoring affair, and I also wrote that John Reaves and Carlos Alvarez would move the ball against Alabama. It so happened that neither of those statements were true, but let's give credit to the people who proved me wrong.

Alabama's pass defense hadn't been up against a if you will to the passer of Reaves' ability. Wayne Adkinson, Steve Williams, Steve Wade and the proven linebackers completely stymied the preseason All-America, Welch, Mike Neal and Rick Chastain. You will hear them many times when the War Eagles dig in on defense.

The Elba Tigers showed a tremendous defense and a very noticeable improvement in the passing attack in whipping Hartford 13-3. Willie Tyson played his best game of the season in what was perhaps the Tigers' best defensive performance of the season.

Wayne Flowers was very impressive, showing a great deal of confidence in his first start at quarterback. Play execution was excellent, especially on the case last Saturday, which produced a touchdown just before the half. If Steve Daniels had been clocked, he might have broken the record for the 50-

yard dash on that play. Maybe we are a little late, but congratulations are certainly in order for Jimmy Hornsby. He recorded his first hole-in-one recently on the tough eighth hole at Elba Country Club. The rumor is around that Jimmy's ace shook his opponent to the point that he landed his tee shot in a curve on the Taylor Mill Road. Stroke and distance penalty.

It was certainly a pleasure to observe Bo Davis as he punished the ball during the Elba Invitational Tournament. Although Bo didn't score very well, he can really give it a ride from the tee. Mace Cook was Bo's playing partner, and he agreed. The former Auburn punter told us that he didn't have much time to get his game in shape, but like most other contestants, enjoyed the tournament.

This week's football forecast:

Alabama-Ole Miss: The Rebels under their new coach, Billy Kinney, have been very impressive so far this season. However, Alabama has shown that it is a truly great football team. Ball control is the key to beating a team such as Ole Miss, and who possesses the ability to control the pigskin as well as the Tide? Look for a good show from the sophomores.

Auburn - Kentucky: This one should be no contest for the War Eagles. Kentucky has been unable to muster any offense this season, and Saturday will be a very difficult time to begin. True, the Tigers could experience a mental let down after the Tennessee game, but Ralph Jordan is no rookie coach and won't let this happen. Add to this that the game will be played in the friendly confines of Cliff Hare Stadium, and its Auburn in a runaway. Auburn 42-Kentucky 10.

Other games:

Tennessee over Florida Georgia over Miss. St. Georgia Tech over Clemson Florida St. over VPI LSU over Rice Notre Dame over Michigan St. Texas over Oregon

more River Rat

good competitive team these days, Georgia apparently has a good team but not in the class with Auburn.

Elba goes to Ozark this week and if the Tigers don't put some glue on the football, Ozark will get their first win of the season at the expense of the fumbling Elba team! Of course, we all make mistakes, I dropped a football one time myself... in practice... That cost me ten laps around the field and I just quit dropping them.

Coal Is Utilized As Gas and Oil Source

A consortium is being developed to erect a plant to convert coal into synthetic gas and oil by the COGAS process, a known and proven technology.

FMC Corporation's executive vice president and general manager of the chemical group, Raymond C. Tower, said that several years of development leads the company to believe that the COGAS gas price will be at least 15 cents per thousand cubic feet lower than that produced by any other available process known today.

This lower cost process will be provided by 1976 when natural gas shortages will be most critical for the country, Mr. Tower asserted.

My crystal ball was working well last week. Alabama won going away - Auburn won with the fourth quarter effort of Sullivan and Beasley and the Elba Tigers finally displayed some will to win spirit against Hartford! Zion Chapel beating every-

one sure makes those folks feel good for a change. I don't know how they are doing it but whatever it is has got to be good.

The only reason I can figure for the Bear to put the first string defense back in to prevent Florida from scoring is that he suddenly sees visions of number one ratings when some of those currently rated higher fall in defeat.

The performance of this Alabama team surprised me and a lot of others and maybe it is even better than Coach Bryant thought also!

Auburn almost pulled their typical TV performance last Saturday but that fourth quarter performance by the entire team changed the game entirely.

Tennessee put the pressure on Sullivan from the start and it almost worked but his true ability came out when the chips were down. Alabama has another easy one this week when they play Ole Miss. They play Vanderbilt the next week but who be unto them on October 16 when Tennessee comes to Birmingham. The honeymoon will be over by then and they will have to use everything they used against Southern Cal and more to win that game.

Auburn plays host to Kentucky this week in Auburn and this will be no contest. Kentucky runs the Wishbone-T but with little effect. This will be another high scoring game on the part of Auburn. Auburn will not have any real contest until they meet Georgia on November 13 in Athens.

The Elba Tigers journeyed to Hartford last Friday night and came away with another win 13-3. This time a comeback from behind the three yard line. Quarterback Flowers eva County drew first blood then tucked up the ball and with a field goal in the second quarter following an to the 22 yard line and a Elba fumble. The Hartford first down and later on team could not cross the fourth and five. Bailey goal line again however in kicked to the Hartford 39, spite of pushing the ball to the one foot line in the able to push the ball even near the goal line even fourth quarter.

Elba scored on the next though they threw four series of downs when Steve straight passes from the Daniels snared the "flee-Elba 37 yard line. Expert flicker" and raced 59 yards pass defense by the Elba for a TD. Brother Joey Tigers prevented the pass Daniels made one of his completions.

Zion Chapel

Wins Third

Of Season

The Rebels of Zion Chapel came from behind to take win number three Friday night over the Cllo Yellow Jackets, 20 to 6.

Clio came on strong in the opening quarter and moved the ball well against the Rebels' defense only to be stopped short of scoring. Then early in the second quarter Clio moved into the lead as Junior Ho-

ler went 6 yards to payd. The point after failed as the Yellow Jackets were ahead 6 to 0.

Zion Chapel came right back after Clio kicked off and drove 58 yards with Eddie Bell carrying it in the last 10 yards for 6 points. Doster's attempt for the PAT failed and at half time the ball game was even, 6 to 6.

The Rebels came out ready to play ball in the third quarter. Clio kicked off and Zion Chapel drove for score number two as Loshua Boyd carried it in from the three. Rusty Wambles fell on a fumble in the end zone for the two points and Zion Chapel led 14 to 6.

Then after stopping the Yellow Jackets, the Rebels again in the third quarter drove for another touchdown as Butch Flowers bullied his way in from the one yard line. The point after again failed, and Zion Chapel had the lead 20 to 6.

The game was a hard-fought victory for Zion Chapel and costly as Joe Johnson was injured with just three plays left in the game. Joe was replacing Dennis Kelley after Kelley broke his right leg in the Long High game.

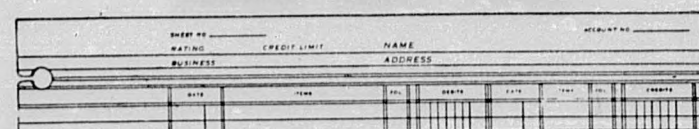

Standouts on offense for Zion Chapel were: Eddie Bell, Loshua Boyd, Butch Flowers, Wayne Grant, Rusty Wambles, Gary Talbot, and Joe Johnson.

Defensive standouts were: Wilbur Mcendon, Tommy Cape, Loshua Boyd, Randal Black, Kenneth Compton and Larry Harris.

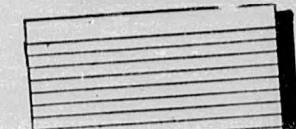

Zion Chapel's next game is Homecoming, October 8 at Zion Chapel.
